Goal 1. Improve student performance on all STAAR indexes with an emphasis on student achievement and closing the gaps.

Objective 1. Improve student scores on STAAR in all areas by using an additional remediation/intervention/enrichment class daily for those students who are not mastering TEKS objectives. This time also allows for students who are performing satisfactorily on benchmarks and daily requirements to work ahead at their own pace.

Activity/Strategy	Person(s) Responsible	Timeline	Resources	Evaluation
<p>1. Each grade level will have an Intervention/Remediation/Enrichment/STAAR class scheduled into their regular school day for teachers to:</p> <p style="padding-left: 20px;">A. pull and arrange students who need remediation in reading and math for small group instruction</p> <p style="padding-left: 20px;">B. pull and arrange students who need extra help on any particular objective being taught during their regular class for instruction in small group setting or one-on-one remediation</p> <p style="padding-left: 20px;">C. pull and arrange students who are mastering the objectives, but who need to achieve a greater understanding of TEKS being taught so they might excel on each STAAR subject (Target Group: All,ECD,ESL,SPED,GT,AtRisk,Dys,504) (Strategic Priorities: 2,4) (ESF: 1,1.1,1.2,2,2.1,3,3.1,3.2,3.3,3.4,4,4.1,5,5.1,5.2,5.3,5.4)</p>	<p>Core Subject Teachers, Principal, Site-Based Committee Members, Special Ed Teachers, Teacher(s)</p>	<p>August 2023 to May 2024</p>	<p>(F)Title and ESSER, (L)Local Funds, (S)State Compensatory</p>	<p>Criteria: Benchmark assessments, STAAR and early reading assessment results.</p> <p>02/08/24 - On Track</p>
<p>2. Students will be taught in smaller groups for their reading/language arts, math and social science classes by using additional teachers, other than those assigned to grade level by homeroom classes, to teach more than one grade level during core class instruction. By having smaller class sizes, students will receive more individualized instruction which not only aides in teaching struggling students but also with students who are exceeding expectations. DES will place a strong emphasis on literacy. (Target Group: All,ECD,ESL,SPED,GT,AtRisk,Dys,504) (Strategic Priorities: 1,2,3,4) (ESF: 1,1.1,1.2,2,2.1,3,3.1,3.2,3.3,3.4,4,4.1,5,5.1,5.2,5.3,5.4)</p>	<p>Core Subject Teachers, Principal, Site-Based Committee Members, Special Ed Teachers, Teacher(s)</p>	<p>August 2023 to May 2024</p>	<p>(F)Title and ESSER, (L)Local Funds, (S)State Compensatory</p>	<p>Criteria: Criteria: STAAR results</p> <p>02/08/24 - On Track</p>
